North Brunswick, NJ 08902

Re: Freedom of Information Request No. EPA-R2-2016-010818
Dated: August 24, 2017

Dear Mr. Kraun:

Your request for information has been referred to this branch for response. We have searched the Resource Conservation and Recovery Act (RCRA) files and/or computer database as appropriate to respond to your request. In addition, you may also receive information from other program areas within this Regional Office.

We are enclosing a copy of the RCRA Facility File Index Sheets in an Excel format for the Former Military Ocean Terminal Bayonne at Foot of 32nd Street and State Highway 169 in Bayonne, New Jersey. We are also enclosing a copy of the RCRA Compliance Monitoring, and Enforcement Data Report regarding inspection information for the Former Military Ocean Terminal in Bayonne, New Jersey.

The approximate amount of RCRA information that we have for this facility is 8 inches. One inch is equivalent to 250 pages.

For further information regarding the fact sheets for the Former Military Ocean Terminal in Bayonne, New Jersey, you can access information from the internet at <http://www.epa.gov/region02/waste/fsmilita.htm>.

We welcome you to visit our office to review the RCRA files. We will arrange to make the files available to you that are located in our RCRA file room on the 15th floor. Kindly arrange your appointment with Mr. David Abrines of my staff at (212) 637-3043. The file offices are open between the hours of 9:00am - 4:00pm at the following address:

Room 1538, 15th Floor
290 Broadway
New York, New York 10007-1866.

Be sure to bring a copy of this letter when coming to our EPA file office, and make reference to the EPA ID Number NJ0210022752.

If you decide that you cannot visit us, another suggestion is that you can select the information that you need from the RCRA Facility File Index Sheets. You can place an asterisk next to the documents that interest you on the index sheets, and then e-mail the information to abrines.david@epa.gov. Afterward, Mr. Abrines will review the documents that you selected on the indexes, and contact you concerning the final cost.

Should you decide that you would like us to scan any of the documents, please let us know. You indicated in your request a fee limit of \$25.00. Since the cost will exceed the \$25.00 limit, you will need to send us an email, indicating that Excel Environmental Resources is willing to accept a higher invoice amount, and you would indicate what that amount is.

In addition, we checked our Enviofacts Warehouse database, and we did not find any air information listed.

Please include the above referenced request number on any inquiries regarding this response. We wait to hear from you as to how you want us to proceed with your request.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Adolph S. Everett', written in a cursive style.
